

# West Jordan High Concurrent Enrollment

## What is Concurrent?

Concurrent Enrollment Classes are college courses taken while still in High School. Students who take a course must pay:

\$40 admission fee\*\*  
\$5 per credit registration fee\*  
Books if needed\*

Students will receive a grade at West Jordan High School and at Salt Lake Community College. All classes are during a regular school day taught by West Jordan High teachers on our campus.

**\*The admission, credit fee and books are not covered by waivers**

**\*\*Admission fee is paid one time to enroll at SLCC. The admission fee is separate from tuition costs.**

| Concurrent Class                               | Grade | Pre-Requisite   | College Credit |
|--|-------|---|----------------|
| <b>BIOLOGY 1010/1015</b>                       | 11-12 | ACT Rdg 16 OR Accuplacer 58   | 4              |
| <b>EDDT 1040</b>                               | 11-12 | Basic Computer Skills (This is an Introduction to Computer Aided Drafting)  | 3              |
| <b>ENGLISH 1010</b>                            | 12    | ACT Rdg 18 OR Accuplacer 75   | 3              |
| <b>ENGLISH 2010</b>                            | 12    | ENGL 1010 w/C grade or better   | 3              |
| <b>HISTORY 1700</b>                            | 11    |   | 3              |
| <b>HUMANITIES 1100</b>                         | 12    |   | 3              |
| <b>MATH 1010</b><br>Integrated Algebra         | 11-12 | Math I, II, or III Grade C or Higher OR ACT Math 20, ACT Reading 18 OR Accuplacer College Level Math 40, Reading 75   | 4              |
| <b>MATH 1030</b> Quantitative Reasoning        | 11-12 | Math I, II, or III Grade C or Higher OR ACT Math 19, ACT Reading 16 OR Accuplacer Elementary Algebra Math 60, Reading 58  | 3              |
| <b>MATH 1040</b><br>Intro to Statistics        | 11-12 | Successful completion of Secondary Math I, II, and II with a C AVERAGE or better in each class OR ACT Math 22, ACT Reading 16 OR Accuplacer College Level Math 50 and Reading 58                  | 3              |
| <b>MATH 1050</b><br>College Algebra            | 11-12 | Students must have BOTH the "C" average grades in Secondary I, II and III AND meet the ACT or Accuplacer Test Scores: ACT Math 23, ACT Reading 18 OR Accuplacer College Level Math 55, Reading 75 | 4              |
| <b>MATH 1060</b><br>Trigonometry               | 11-12 | MATH 1050 with a C or better. OR a qualifying ACT OR Accuplacer score of: ACT Math 26, ACT Reading 18 OR Accuplacer College Level Math 70, Reading 75   | 3              |
| <b>MUSIC 1010</b><br>Introduction to Music     | 11-12 | No Pre-Reqs (This is a Theory Class)  | 3              |
| <b>THEATER 1013</b><br>Introduction to Theater | 11-12 | No Pre-Reqs (This is a Theory Class)  | 3              |
