2nd Semester

Second semester will begin on Wednesday, January 18th. Please make sure your student has an updated copy of their schedule prior to coming to school. They can get this by printing it off of [Skyward](#) or checking with the counseling center before school starts.

There will be No School on Monday, January 16th or Tuesday, January 17th.

Schedule Changes for Second Semester

If your student would like a class change, the counselors will be available Wednesday and Thursday after school. The counselors **will not** make any schedule changes during class time unless the student does not have a class for that period. If your student does not have a class scheduled during a period, they should go see their counselor during that class period. If you have any questions please call the counseling center at 801.256.5620

New JATC Welding Program

Registration Information for 2017-18

We are excited to announce the registration process for the 2017-2018 school year has changed. The basic process is as follows:

1. Students will get the opportunity to request the courses they want by filling out a registration card.
 - 9th graders will do this during their Geography class the week of Feb. 13-16.
 - 10th graders will do this during their History Class the week of Feb. 6-10.
 - 11th graders will do this during their Junior PCCR meeting (theses are scheduled between Feb. 21-Mar. 6)
2. Course requests will then be used to build the Master Schedule based on what the students request.
3. Student schedules will be created for them based on their requests and they will be able to see them at the beginning of May.
 - This allows more students to get into the courses they want by enabling us to eliminate many of the scheduling conflicts that have occurred in the past.
 - It also eliminates the stress of having to figure out a complicated Master Schedule for students and parents.
4. The Arena scheduling window will be opened the week of May 8th for students to *customize* their schedules.

More detailed information and resources will be provided as we move through this process.

If you have any questions feel free to contact michelle.putnam@jordandistrict.org
