Students are welcome to "walk in" and meet with their counselor before school, during AIP, during lunch and after school in order to discuss schedule changes. The counselors will not make any schedule changes during class time unless the student does not have a class for that period. If you have any question please call the counseling center at 801.256.5620

Please have your student take care of their NG's as soon as possible. If your student has lingering No Grades from previous quarters, encourage them to talk to their assistant principal.
